Mission:

To give an opportunity for single mothers to break out of the cycle of poverty and abuse by teaching them Christian values and to help keep their family together.

How:

- 1) Give them a place to live in a Christian environment
- 2) Teach the moms skills to help change their lives
- 3) If the moms have had any of their children taken by PANI we will be helping them to get their children back
- 4) Work with local businesses to have them help train the moms
- 5) Have our own businesses that moms will work at and receive training
- 6) English classes so they can have more job opportunities

Acceptance Process:

- 1) Interview
- 2) Talk to neighbors, local pastors, family, etc
- 3) Moms must be willing to agree to our rules and sign an agreement

Rules:

- 1) No men (boyfriends)
- 2) No alcohol
- 3) No drugs
- 4) They must be willing to help out wherever needed (i.e. kitchen, farm, laundry, etc)
- 5) The living quarters must be neat and clean and can be inspected at anytime
- 6) Their children must attend school and help out with age appropriate chores
- 7) Once they are working and are receiving a salary, they will have to help out with their living expenses. This would be on a percentage basis and would work up to eventually paying all of their living expenses. Part of their salary will go to living expenses, part to savings, and part for spending.

Goals:

- 1) To get the moms self supported and back into the community
- 2) Keeping the family together and building a strong Christian family
- 3) End goal would be to get them off of all help from Love Changes All

Possibilities for things we may do:

- 1) Wood working
- 2) Making cakes, cupcakes, etc
- 3) Making soap and other natural products using essential oils
- 4) Making journals

Housing:

This will be decided based on the number of children that they have. For example, if we have two moms that each have one child, then these moms would share a house. To start with, our first mom may have to live with us until we have the resources to build or rent another house.

All department heads must be good Christian leaders. If married it must be between a man and a woman!
